Local Government

BOARD OF SUPERVISORS

Local governments exist for the purpose of providing services and public facilities to the people who live within their jurisdictions. What they must do and what they may do is specified in the codes and laws enacted by the Commonwealth of Pennsylvania. East Hanover Township is a second class Township and is governed by the Second Class Township Code which was reacted and amended in 1995. Since January 2, 2001, the Board of Supervisors has consisted of five people. The expansion of the Board from three to five members was approved in the 1999 municipal election.

All Supervisors now have a six year term of office. The Supervisors have created the positions of Secretary-Treasurer, Administrative Assistant, Public Works Director and Road Crew, Building and Park Maintenance, Codes and Zoning Officer, Sewage Enforcement Officer, Wastewater Treatment Plant Operator, Municipal Engineer and Solicitor. They have also appointed a Zoning Hearing Board, Planning Commission, Park and Recreation Board, Environmental Advisory Council and Emergency Management Coordinator. The Environmental Advisory Council is currently on an inactive status due to lack of volunteers to be appointed as members. Board of Supervisor meetings are held on the first and third Tuesday evenings of each month (except holidays and elections) in the Municipal Building beginning at 7:00 p.m. The public is encouraged to attend.

Keith Espenshade, Township Supervisor since January 2004, is a life-long resident of East Hanover Township.

He is a graduate of Dauphin County Technical School. Keith previously served on the Board of Supervisors from 1986 to 1992. He is employed by Espenshade's Plumbing and Heating.

George Rish, Township Supervisor was previously a Township Supervisor from May 2000 until January 2008, served on the Planning Commission and lives with his family at 122 Sunset Drive. He has been a resident of the Township since 1996. George graduated from Greater Nanticoke Area High School and Temple University. He is currently employed as a pharmacist

by Pinnacle Health at Harrisburg Hospital. George attends Lebanon Area Evangelical Free Church. He is a Committee member with Boy Scout Troop 201 in Union Deposit and does volunteer work with the American Foundation for Children with AIDS.

Thomas Shutt, Township Supervisor since January 2006, was born in West Hanover Township but has lived in East Hanover Township since 1956. Thomas married Martha Hetrick, who has lived in the Township her entire life. They have four children, 3 sons and a daughter; eight grandchildren and three great-grandchildren. Tom bought a small farm in East Hano-

ver in 1961. Seventeen years later, bought a larger farm and started a dairy business. He still farms in East Hanover, and with his youngest son, raises beef cattle. In addition to managing the farm business, Thomas gained management experience with H.B. Reese Company. He started working for H.B. Reese in 1957; went into plant management as a supervisor in 1967; and retired in 1996 with a total of 38 years of service. In his younger years he was active with the Grantville Fire Department and enjoyed the time served with some of the best guys in fire-fighting.

Dave Marshall, Township Supervisor since January 2006, is a third-generation entrepreneur and co-owner of Marshall's Wood Products on Allentown Blvd. Dave and his dad established the business in 1981 and he started developing the manufacturing side of the business. Their products are used by customers located as far away as Japan. Dave grew up in Conewago Township, graduated from

from Lower Dauphin High School and moved to East Hanover Township in 1987 when he married his wife, Diana. They have two children, Mary, age 22 and Ben, age 16.

John Nelligan, Township Supervisor, previously appointed by the Board of Supervisors on February 3, 2009 to fill a vacancy after a voluntary resignation, was recently elected to a 4 year term. John has lived in the Township for 45 years. He and his wife Carol have two children and four grandchildren.

He is a retired Manager from AMP, Inc., after 36 years of service. His past experience of activities with the Township include serving as a Supervisor, Planning Commission Member, Zoning Hearing Board Member, 209 Traffic Committee, Chief Engineer and Chief of the GVFC. He is currently serving as the Township Emergency Management Coordinator, President of Autumn Leaves, and Facilitator of the East Hanover Public Safety Advisory Council.

ADMINISTRATIVE OFFICES

The administrative offices are open from 8:00 a.m. until 4:00 p.m. except for the following days in 2010:

January 1	January 18	February 15
May 18	May 31	July 5
September 6	October 11	November 2

PARK AND RECREATION BOARD

In 1980, the Board of Supervisors established the Park and Recreation Board and appointed seven residents to serve 5 year terms. The Board develops, plans and administers a variety of recreational activities such as classes and special events. In 2006, the number of Board members was reduced to five. In 2008, the Board of Supervisors hired Janet Espenshade as the Park and Recreation Director.

The Park and Recreation Board meets on the first Monday of most months (except when changed due to holidays, etc.) at 7:00 p.m., at the Township Building. All meetings are open to the public.

ZONING HEARING BOARD

Each municipality that has enacted a zoning ordinance is required by the Municipalities Planning Code to establish a Zoning Hearing Board (ZHB). Three residents are appointed to the ZHB by the Supervisors for three year terms. One additional resident is appointed by the Supervisors to serve as an alternate. The two main functions of the board are to hear requests for variances and special exceptions. A variance is permission granted by the ZHB for a waiver or modification of some regulation which, if strictly adhered to, would result in unnecessary hardship to the applicant. Unique physical circumstances that do not allow the property to be developed in conformity with the provisions of the Zoning Ordinance must be present. It must also be determined that the applicant did not create the situation and that the variance, if granted, would not alter the character of the surrounding properties or be detrimental to public welfare. In the granting of any variance, the ZHB may attach reasonable conditions as it deems necessary to implement the intent of the act. A special exception allows a certain use in a particular zoning district. As in the granting of any variance, the ZHB may attach to the granting of a special exception, reasonable conditions as it deems necessary to implement the intent of the act.

PLANNING COMMISSION

All subdivision and land development plans must be submitted to the Planning Commission for review and recommendation prior to review and action by the Board of Supervisors. The primary purpose of the review is to ascertain that all requirements of the zoning and subdivision/land development ordinances have been met. The Planning Commission considers the reviews and recommendations of the Township Consulting Engineer, Township Consulting Zoning Officer, Tri-County Planning Commission and Dauphin County Soil Conservation District. The Commission will also determine that the subdivision or land development plan is in conformance with the goals and objectives stated in the Comprehensive Plan. After review, the Commission will recommend an action to the Board of Supervisors. All plans need approval from the Supervisors prior to being recorded at the Dauphin County Courthouse. Five residents are appointed to the Planning Commission by the Supervisors for four year

terms. Meetings are held the fourth Tuesday of most months (except when changed due to holidays, etc.) beginning at 7:00 p.m. in the Municipal Building. All meetings are open to the public.

ENVIRONMENTAL ADVISORY COUNCIL (EAC)

The EAC acts in an advisory capacity to the Township Officials and agencies on matters relating to the protection, conservation, management and use of natural resources located within the Township. In addition, it conducts environmental programs and activities. The EAC is currently on an inactive status due to lack of volunteers to be appointed to the Council.

THE MANADA CONSERVANCY

The Manada Conservancy is a land trust, created in 1995 by residents of East Hanover Township and neighboring municipalities who are concerned about unplanned loss of land in our region to development. It is a private charitable organization. By working with individuals, private groups, and local, county and state agencies, the Conservancy seeks ways to protect a wildlife habitat and preserve open space. It also seeks ways to help farmers keep their land in agricultural use while maintaining its financial value.

Land trusts are becoming a widely used method for private and voluntary preservation of farmland and natural resources, with over forty such organizations in Pennsylvania alone. The Manada Conservancy is modeled after other larger or more distant conservancies but its focal point will be our own communities and the nearby areas with which we are most familiar.

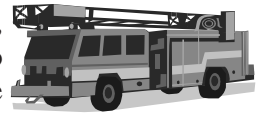

Land trusts protect land by outright purchase and stewardship by working with government agencies, by purchasing or accepting donations of conservation easement and development rights, and by creatively working with property owners who want to preserve the natural resources on their land. The conservancy can accept land, easements, services and money as tax deductible donations.

The name “Manada Conservancy” was chosen to signify not only the geographical area upon which the Conservancy hopes to focus, but also the importance of waterways, habitat and the rich historical heritage of the region. The Manada Creek is near the center of the focal area and feeds into the Swatara Creek. Abundant wildlife can be found along these waterways as well as evidence of Native American settlements and other unique historical sites, such as the Union Canal.

The Board of Directors is composed of individuals representing East Hanover, West Hanover, South Hanover, Hummelstown and Derry Townships in Dauphin County and East Hanover Township in Lebanon County. The Executive Director is Sally Zaino of East Hanover Township. To receive a brochure or obtain additional information, please call 566-4122 or visit the website at <http://www.manada.org>.

DAUPHIN COUNTY HOUSEHOLD HAZARDOUS WASTE CURBSIDE COLLECTION PROGRAM

The Dauphin County Department of Solid Waste Management & Recycling, with funding help from the Pennsylvania Department of Environmental Protection, provides a free, once-a-year hazardous waste collection of each Dauphin County household. Under this program, Dauphin County residents can properly dispose of the following items: anti-freeze, batteries, brake fluid, chemical strippers, chlorine bleach, contact cement, drain cleaners, fire extinguishers, flea collars and sprays, herbicides, insect repellent, insecticides, kerosene, lawn chemicals, lighter fluid, lye, mothballs, nail polish remover, old propane tanks, oven cleaners, paints, pesticides, pool chemicals, solvents, spot removers, stains and finishes, toilet cleaners and used motor oil. Call 1-800-449-7587 for scheduling information and other details.

DAUPHIN COUNTY RECYCLING DROP-OFF DEPOTS

The Recycling Drop-Off Depots, which are being located throughout the county, are designed to serve residents who do not have curbside recycling available. **These Depots also collect additional materials that may not be collected in all mandated curbside programs.** The Dauphin County Board of Commissioners encourages residents to utilize the depots as often as necessary. There is no limit on how much material you can recycle or how often you can recycle.

Recycle your corrugated cardboard, advertising inserts, junk mail, magazines and telephone books at one of the seven locations. If you are not sure whether the item you have is recyclable, please contact the Dauphin County Recycling Hotline at 780-6351, Monday through Friday from 7:30 am to 4:00 pm. The nearest depot to East Hanover Township is Conewago Township Municipal Building, 3179 Old Hershey Road, Elizabethtown.

Corrugated cardboard must be flattened and stacked together. Not permitted are freezer cartons, wax-coated boxes or boxes containing food scraps. Advertising inserts, junk mail, magazines and telephone books must be loose or tied, not placed in paper or plastic bags.

For those persons living in dwelling units which are excluded from participation in the Township's curbside recycling program, in addition to the above items, aluminum/bi-metal cans, glass, newspaper and plastics #1 and #2 can be recycled at the drop-off depots.

Containers should be rinsed. Plastic caps or metal rings should be removed. Scrap metal, coat hangers, pie plates, aluminum foil, metal cookware, utensils, broken glass, light bulbs, etc. are not acceptable items.

Effective April 17, 2009, Dauphin County officially opened a Recycling Center. The regular hours of operation are Monday through Friday from 8:30 a.m. to 4:30 p.m. The 2010 Saturday dates are advertised on the internet at www.dauphincounty.org. A listing of acceptable recyclable items and fee schedule can be found on their website. AGRICULTURAL SECURITY AREA (ASA)

On May 7, 1991, East Hanover Township created an Agriculture Security Area in response to petition by farms and other large parcel (10 acres or more) landowners in the Township. At present more than 2000 acres of land have been enrolled. Enrollment places no restrictions on the land but does offer the following benefits:

1. It is harder to condemn land that is in an Agricultural Security Area for public purposes.
2. Owners are more protected against nuisance complaints from neighbors relating to farm practices, and

3. Enrollees are eligible to apply to participate in the Agricultural Preservation Program at the County level. This program compensates farmers who give up development rights and keep their land available for farming.

AGRICULTURAL SECURITY COMMITTEE (ASC)

This committee oversees any administration required to maintain the Agricultural Security Area in the Township. Specifically, the committee must conduct a review every seven years to update the enrollment area to determine if landowners wish to continue their participation. Enrollment may occur at any time.

If you would like to enroll your property, delete your property, or obtain additional information, you may contact any member of the Agricultural Security Committee.

Committee members are:

Sally McKeever, Chairman.....	533-3057
Arlan Keller.....	469-0233
Mildred Miller.....	533-9725
Ken Staver.....	534-2619

ELECTION INFORMATION

THE 2010 MUNICIPAL PRIMARY ELECTION IS SCHEDULED FOR TUESDAY, MAY 18 AND THE GENERAL ELECTION IS SCHEDULED FOR TUESDAY, NOVEMBER 2.

The purpose of a primary election is to nominate candidates who will be on the ballot in the general or municipal election. When the primary election features a presidential race, the primary election is held on the fourth Tuesday in April. Pennsylvania has a closed primary, meaning that voters declare their party affiliation and vote only for candidates of that party. Voters not registered for a party may vote on ballot questions, for government study commission candidates, or in special elections if they are on a primary ballot. Ballot questions may include proposed constitutional amendments or other measures to be decided by popular vote. Special elections are sometimes held when a vacancy occurs in a local, state or federal office.

General elections are held in even-numbered years and municipal elections are held in odd-numbered years. Both occur on the first Tuesday and after the first Monday in November. All registered voters may participate.

Hours for casting ballots will be 7:00 a.m. until 8:00 p.m. Generally, residents living south of Route 22 are registered to vote in Precinct 1 and residents living north of Route 22 are registered to vote in Precinct 2. Both Precincts vote in the East Hanover Township Municipal Building located at the corner of Jonestown and Manada Gap Roads.

Registration forms and absentee ballot request forms can be obtained at the Municipal Building or at the Election Bureau.

TAX INFORMATION

Each year two separate bills are sent to East Hanover Township property owners.

The Real Estate tax bill mailed in January represents taxes due to Dauphin County, Dauphin County Library, East Hanover Township and Fire Protection for East Hanover Township. The Township usually receives under forty dollars (\$40.00) per bill.

The Real Estate Tax Bill mailed in July represents taxes due to the Lower Dauphin School District. The Township receives no funds from these taxes. The Personal Tax Bill is also mailed in July and represents the School Per Capita, School Residence and East Hanover Township Per Capita. The Township receives five dollars (\$5.00) per bill.

Taxes are based on assessed value. Real estate assessments are noted on the right-hand corner of each bill. To determine your real estate tax bill, multiply the assessment times the millage rate (ML) times .001 (a mill is one-tenth of a percent). It can also be determined by multiplying the assessment times the millage rate and then moving the decimal point three places to the left.

The first total amount is a discounted amount. Two percent (2%) of the total bill is subtracted as discount for early payment. Early payment enables the taxing body to earn interest on the deposit and saves the property owner money as well. The second amount is the base fee. The third amount is the base fee plus five percent (5%) penalty for late payment and the fourth amount is the base fee plus ten percent (10%) for later payment.

Personal taxes are based on assessments and equal fees. Individuals are assessed at two hundred and fifty dollars (\$250) and pay one hundred percent of that assessment as a School Occupational Tax. The other amounts are each a five dollar (\$5.00) equal fee.

The first total amount is a two percent (2%) discounted amount for early payment. The second amount is the base fee. The third amount is the base fee plus ten percent (10%) penalty for late payment.
