**IMPORTANT NOTICE**

Grants are awarded by the County and not by the Township. Submission of a proposal or grant application creates no obligation on the part of the Township, its employees, contractors, agents or appointed officials to act on or process said request. Applicants should not expend funds in anticipation of, or in reliance on a grant not officially awarded by the County. The Township anticipates there will be many deserving proposals and therefore no grant application or proposal can be given priority or a guarantee of an award, and the Township disclaims any representation or inference to the contrary, regardless of its source
