

SOUTH CENTRAL EMS TOWNSHIP RESIDENTS MEMBERSHIP

The Township has just completed its budget process. Originally, the Township's share of South Central EMS costs was \$61,440.00. It was suggested we contact South Central to see if they would be willing to provide the entire Township with a membership for an additional donation of \$8,560.00. Discussions were held and it was agreed to by South Central to provide all residents of East Hanover Township, Dauphin County, with a membership to the Emergency Medical Services for a total donation of \$70,000.00.

Effective January 1, 2009, all individuals permanently residing in East Hanover Township, Dauphin County, will receive member benefits with South Central. Listed below are some of the key highlights of membership.

The Ambulance Membership covers the patient's costs for all emergency, medically necessary ambulance services, as allowed under state and federal laws, within the geographic primary response area¹ of South Central Emergency Medical Services, Inc., as approved by Dauphin County Emergency Management Agency.

- Membership benefits are only applicable when South Central EMS, Inc., is the responding and transporting emergency medical services, (EMS), unit.
- Membership benefits will not extend to emergency calls that are not medically necessary. Membership benefits will not extend to non-emergency transportation by ambulance and/or wheelchair/litter van.
- South Central EMS, Inc., will be permitted to continue fundraising activities with residents of East Hanover Township, Dauphin County; including, but not limited, to, an annual fund drive mailing.

¹The primary geographic emergency response area for South Central Emergency Medical Services, Inc., includes Lower Paxton, West Hanover, East Hanover, and the northern section of South Hanover Townships; as well as the Boroughs of Middletown, Royalton, and Highspire.
